The girls will leave a business card after each cleaning appointment that states the next scheduled appointment.

They will leave a list of supplies or anything they may have seen that you need to know about after each cleaning.

We usually use all your products and your sweeper; however, the girls do have sweepers and supplies with them. Also, we want to use the product for your floors that was recommended to you at the time of installation so that your floors will be cleaned to your satisfaction. In today's world, we have a tote full of floor cleaners because everyone uses different brands.

We clean homes between 8 and 5 on Monday through Friday. Your preference with keys, alarm codes, and so forth is fine.

The girls are usually at your house at a precise time for starting; however, if they have another house before yours, we can't always guarantee a pre-determined time.
